Restorative + Care

Sub-Acute Rehabilitation

The rehabilitation program at Hampton Nursing and Rehab is designed to restore patients to their healthy selves as quickly as possible. Our building offers an intimate space for our patients to rehabilitate. We assist patients in recovering from illness or surgery, with a full regime of therapy services. Physical, Occupational and Speech Therapy are offered seven days a week, within our physical and occupational therapy room. Each room is fully equipped with state-of-the-art equipment to help our patients recover faster. Our expert teams of therapists utilize the latest rehabilitation techniques to create an individualized care plan for each patient. When you're ready to go home, our caring staff will guide you every step of the way, with comprehensive discharge planning and post discharge follow up.

Community + Care

The owners and operators of Hampton Nursing and Rehab live here too. As members of the community, we appreciate that we are serving our friends and neighbors. We walk the floors, visit with patients, talk to families and assist staff with meeting patient's needs. Our hands-on management approach keeps us in touch with every patient's experience. We ensure that each patient is treated with respect and dignity, and there is always someone to talk to, should any concerns arise.

Relax

Long Term Nursing Care

We consistently deliver 24 hour nursing care in a soothing and tranquil setting. Our highly skilled nursing staff is committed to delivering outstanding care and compassion. At Hampton Nursing and Rehab, we invigorate the physical and emotional strength of our residents by meeting their needs with warmth, dignity and respect.
